

Class of 2019 – TOK summer assignments

❖ 6 assignments

❖ New assignment every 2 weeks beginning 6/4/18

❖ All assignments due on Monday 8/20/18

How do I do and submit my TOK work?

1. Visit sracerths.weebly.com and hover the mouse over the TOK tab. Nested there is a separate page titled “Summer Assignments 2018-19” – click here.
2. You will submit the assignments electronically – you will need to submit your Document in the Drop-box that is linked on the “Important TOK Stuff” page on the website. I will also post the link in the first assignment.

What do I do if I need help or clarification?

1. First line of defense is to get in touch with me – I will check my email at least once a week so I can respond to your questions that way.
2. I will be stationed at the Anythink Library – Wright Farms at least 3 different days over the summer – you are welcome to come and join me on those days to work on TOK or CAS – or just to say hi and check in.
 - My first Library day will be Thursday June 14, 2018 – exact time to be determined.
